Dear Secretary,

My company will soon introduce a new product into the natural supplement marketplace.

In accordance with DSHEA Section 6, please accept this notification of statements, which appear on the label for Monthly Solution menstrual restorative formula:

"This modern tonic formula helps to balance a woman's monthly cycle and alleviate fatigue."

Dr. Lin Cheng Tan, M.D. (China), O.M.D., L.Ac., developed DR. LIN'S LIFESTYLE SOLUTIONS specifically to meet the needs of women. Through years of research in her clinical practice, Dr. Lin created these safe and highly effective herbal preparations which combine modern formula logic with the wisdom of Traditional Chinese Medicine (TCM).

MONTHLY SOLUTION Menstrual Restorative Formula™ is a nourishing formula that is adapted from the classic "Four Things Soup" used by women for centuries to support monthly blood loss. This modern tonic formula helps to balance a woman's monthly cycle and alleviate fatigue.*
